IV. Tips and Tricks
1. Always bring two vouchers: one for going to your event and one for returning to Carleton
2. If you have a consistent schedule: tell the shuttle driver! They will write your name down and know to look for you.
3. Add a time to be picked up: There is a space on the Blue Voucher to include a pickup time. Check with the driver to make sure he/she will be there at the time.
4. If you have complaints or comments: Fill out a Transportation Comments form on the campus services webpage. Make sure to note date, time, location, and driver if possible.
