Paid Summer Teaching Internship
Open to all Majors!

Breakthrough Saint Paul is looking for a diverse group of college undergraduates and high school juniors/seniors to teach at a summer enrichment program for motivated middle school students from Saint Paul Public Schools.

BREAKTHROUGH SAINT PAUL OFFERS:

- The support of a professional mentor teacher.
- Training in lesson planning for rigorous instruction, and classroom management.
- Leadership opportunities related to special events, fields trips, and committees.
- A chance to work with a fun, cohesive, diverse faculty comprised of other amazing students from around the country.

For further information & an application, please visit the “Become a Teacher” section at www.breakthroughsaintpaul.org
