Northfield Hospital & Clinics Emergency Medical Services

Presents:

Initial Certification Course: Emergency Medical Technician

**What:** This 160-hour course will prepare the participant to become an Emergency Medical Technician. Students who successfully complete the course will be eligible to sit for the National Registry of Emergency Medical Technicians (NREMT) practical and written exams. **College credits are not offered.**

The curriculum is based on the National Highway Traffic Safety Administration National EMS Education Standards for the Emergency Medical Technician (2009). The program follows a rigorous course of study that includes lecture, practical skills, and field internship. Certified instructors, currently working in EMS, will deliver the content.

**When:** Classes will be held Monday and Wednesday evenings, from 6 PM until 10 PM, and on some Saturdays, 8:30 AM until 5 PM. The following are class dates:

- Mon., Wed.: February: 11, 13, 18, 20, 25, 27
- March: 4, 6, 11, 13
- Saturday: February 23
- March 9
- Spring break March 17th – 30th, no classes
- April: 1, 3, 8, 10, 15, 17, 22, 24, 29
- May: 1, 6, 8, 13, 15
- April: 6, 13, 20, 27
- May: 4, 11

**Attendance at all classes is required.**

**Where:** All classes will be held at the EMS Station, 1600 Riverview Lane, Northfield.

**Cost:** The cost of the class is $1050.00. **The full amount is due by February 4, 2013.** A deposit of $500 reserves your place in the course (no reservations without deposit or previous arrangements with the instructor). Agencies can be invoiced. Registration includes: tuition; NREMT practical exam fees; textbook, workbook, and online access; and class shirt. An additional fee of $20 is required to complete the course final exam. Additionally, those students wishing to take the NREMT written exam will need to submit a $70 fee, payable to the NREMT.

**Registration is required. No walk-ins will be allowed.** The course is limited to thirty students. Registrations are handled on a first-come, first-served basis. A waiting list will be established.

**Prerequisites:** There are no prerequisites for this class. The course includes an American Heart Association CPR component. Students must be at least 18 years of age to sit for the NREMT exam (which must be taken within one year after the class). The National Registry also has a criminal history policy, see: https://www.nremt.org/nremt/about/policy_felony.asp

To register, please send payment along with the bottom portion of this form to:

Education Department, Northfield Hospital
ATTN: EMT Class 6037-13-1 Registration
2000 North Ave.
Northfield, MN 55057
