- The application process is not that scary! Just a resume, cover letter, and a brief questionnaire.
- Carleton **pays for half** of the travel expenses.
- All applications must be submitted to “The Tunnel” by Friday, February 4th, at noon.

**Externship Descriptions:**

1. **Employer:** Stillwater Medical Group  
   **Externship Position Title:** Internal Medicine Externship  
   **Number of positions available:** 1  
   **Length of externship:** 1-2 weeks (Spring Break)  
   **Location:** Stillwater, MN

   Job Description: Wendy and her husband Alan (both 1984) work in Internal Medicine at the Stillwater Medical Group, a not-for-profit medical clinic, affiliated with Lakeview Health, in Stillwater Minnesota. Wendy is a general internist and Alan is an Ophthalmologist. The extern would be able to observe physicians at work not only in these two specialties, but throughout the clinic, probably spending 1-2 days in each area. The student may indicate areas of interest, or Wendy will pick a broad variety herself

   Expectations/desired skills [bullet points]: Wendy and Alan would prefer to host a student who is seriously considering Medicine as a career, and would prefer if they have posted a GPA of 3.0 or higher at Carleton.

2. **Employer:** Allina Medical Clinic  
   **Externship Position Title:** Family Medicine  
   **Number of positions available:** 1  
   **Length of externship:** 1 week (unpaid) - Spring Break

   Job Description: Amy is a family physician and Obstetrician. The extern will have the opportunity to observe primary care in a semi-rural health center.

   Expectations/Desired Skills: The Extern should have an interest in medicine and on the pre-med track. He/she should also have an understanding of confidentiality in the field of medicine. The Extern is expected to follow the physician’s schedule including night call and deliveries on “off” days, etc.
