PART II. EARLY EDITIONS TO 1700

This section attempts to list the extraordinary number of early editions of Lactantius. The compiler is responsible for annotations preceded by the symbol ☞; items so marked he has either seen at first hand or verified in a way that seemed reliable.

A work such as this cannot fail to exhibit errors and omissions. All who use these pages are earnestly entreated to send corrections to the compiler by e-mail to <jbryce@carleton.edu>.
