You can place out of CS 111 if you’ve earned a high score on the AP Computer Science A exam, or if you have other equivalent background. Consult http://cs.carleton.edu. Plan to learn Python before taking CS 20x.

Two electives are required; most are offered every other year. Electives not offered in 2017–2018 are grayed out. * = add’l prereqs

All yellow-shaded courses, Math 111, and two 200+-level electives are required for the major.
