You can place out of CS 111 if you earn a high score on the AP CS A exam, or if you have other equivalent background. For placement information, consult http://cs.carleton.edu. Plan to learn Python before taking CS 20x.

All yellow-shaded courses, Math 111, and two 200+-level electives are required for the major.

Two electives are required; most are offered every other year. Electives not offered in 2018–2019 are grayed out. * = add'l prereqs
