**NOTES:**

1. A **HEALTH FORM** is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.

2. Applicants for Carleton programs should know that the Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by faculty director. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty director.

3. Regarding **HEALTH INSURANCE**, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take our additional coverage for the period of the seminar if it does not.
