CARLETON GEOLOGY SEMINAR IN ITALY  
Fall 2005  

INSTRUCTIONS FOR APPLICATION

1. The **APPLICATION** should be completed by the applicant and returned to the Geology Department, Mudd 161, by **Monday, January 17th, 2005**. Please use a word processor or typewriter to complete this application.

2. The **LETTERS OF REFERENCE**, academic or personal, should be given to two (2) faculty members who can assess your academic performance, motivation, and ability to work in a group. Leave the appropriate form with the faculty member willing to write for you and request that it be returned by the application deadline. It is the responsibility of each applicant to see that all materials are in place by the application deadline. **Professor Davidson cannot act on any file that is incomplete.**

3. A **TRANSCRIPT** of your Carleton work-to-date should be supplied with this application. Download your transcript from the Registrar’s webpage at [http://www.carleton.edu/campus/registrar/transcripts.html](http://www.carleton.edu/campus/registrar/transcripts.html).

4. Applicants for Carleton programs should know that Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by faculty directors. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty directors.

5. A personal **INTERVIEW** will be scheduled with Professor Davidson. Eligibility criteria that will be considered during the selection process include faculty recommendations, satisfactory completion of academic prerequisites, GPA, genuine interest in outdoor activities, personal qualities (maturity, independence, adaptability, ability to contribute to and engage with the group, willingness to initiate intercultural opportunities, flexibility, ability to deal with stress, a sense of humor, physical stamina), and compliance with College policies.

6. Students will be informed in writing of decisions on their application.

7. Students admitted to the Italy Seminar will be expected to confirm their intention to participate by signature on a letter of agreement, due no later than **Friday, April 1, 2005**. The health form will be due no later than **Tuesday, May 3rd, 2005**.

NOTES

1. A **HEALTH FORM** is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.

2. Regarding **HEALTH INSURANCE**, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take our additional coverage for the period of the seminar if it does not.

3. A student with a **DISABILITY** that may affect participation should discuss necessary accommodations as soon as possible with the Academic Accommodations Coordinator Susan Keesey and the seminar faculty director.
