INSTRUCTIONS FOR APPLICATION

1. The APPLICATION should be completed by the applicant and returned to Professor Hewett, Laird 304, with all necessary attachments by the date above. Please use a word processor to complete this application.

2. The LETTERS OF REFERENCE, academic and personal, should be given to (1) a faculty member who can assess your academic performance, motivation, and ability to work in a group and (2) another person (a second faculty member, work supervisor, adviser, etc.) who knows your personal qualities. Discuss the recommendation form with your references and request that it be returned by the application deadline. It is the responsibility of each applicant to see that all materials are submitted by the application deadline. Professor Hewett cannot act on any file that is incomplete.

3. A TRANSCRIPT of your Carleton work-to-date should be supplied with this application. Download your transcript from the Registrar’s webpage at http://www.carleton.edu/campus/registrar/transcripts.html

4. Applicants for Carleton programs should know that Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by the faculty director. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty director.

5. A short personal INTERVIEW will be scheduled with Professor Hewett. Eligibility criteria that will be considered during the selection process include faculty recommendations, satisfactory completion of academic prerequisites, GPA, academic and personal reasons for participation, personal qualities (maturity, independence, adaptability, ability to contribute to and engage with the group, flexibility, ability to deal with stress, physical stamina, conscientiousness, and a sense of humor), class year preference, and compliance with College policies.

6. Students will be informed in writing of decisions on their application.

7. Students admitted to the seminar will be expected to confirm their intention to participate by signature on a letter, due no later than Friday, September 19, 2008. The health assessment form is due by Tuesday, October 21, 2008.

NOTES:

1. A HEALTH FORM is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.

2. Regarding HEALTH INSURANCE, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take out additional coverage for the period of the seminar if it does not.

3. A student with a DISABILITY that may affect participation should discuss necessary accommodations as soon as possible with the faculty director and/or the OCS Director.
