INSTRUCTIONS FOR APPLICATION

1. The APPLICATION should be completed and returned to Mary Tatge, secretary, Department of Romance Languages and Literatures, Language and Dining Center, room 340, by Friday, April 22nd, 2005. Please use typewriter or a black ink pen to complete this application.

2. The LETTERS OF REFERENCE, academic and personal, should be given to (1) a faculty member who can assess your language performance, motivation, and ability to work in a group, and (2) another person (work supervisor, resident advisor, etc.) who knows your personal qualities. Leave the appropriate form with the faculty member willing to write for you and request that it be returned by the application deadline. It is the responsibility of each applicant to see that all materials are in place with Mary Tatge by the application deadline. Professor Keita will not act on any file that is incomplete.

3. A current TRANSCRIPT and a DEGREE AUDIT should be supplied with this application. They are released with your signature. Fill out a form requesting the transcript and the degree audit at the Registrar's office or send a note to the Registrar requesting that copies be sent to you. Please allow 3 days for arrival of the forms and attach them to your completed application.

4. A short personal INTERVIEW may be scheduled with Professor Keita. Eligibility criteria that will be considered during the selection process include faculty recommendations, satisfactory completion of academic prerequisites, GPA, academic and personal reasons for participation, personal qualities (maturity, independence, adaptability, ability to contribute to and engage with the group, willingness to initiate intercultural opportunities, flexibility, ability to deal with stress, a sense of humor, physical stamina), and compliance with College policies.

5. Students will be informed in writing of decisions on their application.

6. Students admitted to the French Studies Seminar will be expected to confirm their intention to participate by signature on a letter, due no later than Thursday, September 23rd, 2005.

NOTES:

1. Applicants for Carleton programs should know that Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by faculty Director. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty director.

2. A HEALTH FORM is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems, and/or to help the director or others respond on your behalf should you become ill abroad.

3. Regarding HEALTH INSURANCE, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take our additional coverage for the period of the seminar if it does not.

4. A student with a DISABILITY that may affect participation should discuss necessary accommodations as soon as possible with the faculty director and/or the Director of Off-Campus Studies.
