INSTRUCTIONS FOR APPLICATION

1. The APPLICATION should be completed by the applicant and returned to Mary Tatge, German and Russian Department, LDC 340, MailStop: 4-GERMAN by Monday, April 15, 2013. Please use a word processor to complete this application.

2. The LETTERS OF REFERENCE should be given to (1) a faculty member (other than the program director) who can assess your academic performance, motivation, and ability to work in a group, and (2) another person (work supervisor, resident adviser, etc.) who knows your personal qualities well. Leave the appropriate form and envelope addressed to Mary Tatge Mailstop 4-GERMAN with the faculty member willing to write for you and request that it be returned by the application deadline. It is the responsibility of each applicant to see that all materials are in place by the application deadline, April 15, 2013. Professor Nemec Ignashev will not act on any file that is incomplete.

3. A TRANSCRIPT and DEGREE AUDIT must be supplied with this application. Download your transcript and degree audit from the Hub.

4. A personal INTERVIEW will be scheduled with Professor Nemec Ignashev. Eligibility criteria that will be considered during the selection process include faculty recommendations, satisfactory completion of academic prerequisites, GPA, personal qualities (maturity, independence, adaptability, ability to contribute to and engage with the group, willingness to initiate intercultural opportunities, flexibility, ability to deal with stress, a sense of humor, physical stamina), and compliance with College policies.

5. Students will be informed in writing of decisions on their application.

6. Students admitted to the seminar will be expected to confirm their intention to participate by signature on a letter of agreement due no later than Friday, September 20, 2013. The health assessment form will be due no later than Friday, January 24, 2014.

NOTES:

1. A HEALTH FORM is NOT required before admission to a Carleton off-campus program. On acceptance to a program, students will be asked to complete a health history to aid the faculty director in preparing an appropriate environment to deal with any current health problems and/or to help the director or others respond on your behalf should you become ill abroad.

2. Regarding HEALTH INSURANCE, Carleton makes the same requirement off-campus as on: that all students will carry insurance to cover them for the duration of their enrollment. If accepted into this program, you will be required to ascertain that your current insurance will cover you abroad and to take out additional coverage for the period of the seminar if it does not.

3. A student with a DISABILITY that may affect participation should discuss necessary accommodations as soon as possible with the Academic Accommodations Coordinator and the seminar faculty director.

4. Applicants for Carleton programs should know that the Family Educational Rights & Privacy Act prevents release of information which is professionally confidential to the Health Service or Counseling Center at Carleton but allows disclosure to faculty of information held in student files elsewhere within the College if it is determined to be of legitimate educational interest. Certain information from files in the office of the Dean of Students, for example, might be available if sought by faculty director. A student who may be concerned about any information that might affect consideration of his/her place in a Carleton program has the right to provide his/her own interpretation of that information and is urged to discuss these concerns directly with the faculty director.
