Request for a Practice Interview

Practice/mock interviews are an important aspect of the application process. The purpose of the interview is two-fold: first, to gather information that will enable us to write a more meaningful letter of reference and second, to give you practice in the interview situation. To schedule a practice interview, fill in the information below and return it to me, Pam Middleton, by **Friday March 1** by email. *Your waiver form and detailed biographical information are also due by March 1.* I am hoping to schedule the interviews for early April in the evening; they will be virtual, either by skype, zoom or another platform and will take about 30 minutes of your time.

Your name:

Best times in the evening that you would be available-Minnesota time:

Science professors likely to write a letter of support:

Schools to which you will be applying (This is NOT a final list, but will get you started thinking about your options):

Alternative plans if you are not accepted on your first try:

The members of the Advisory Committee on Health Professions Programs are David Alberg, Chemistry; Chris Claderone, Chemistry; Joe Chihade, Chemistry; Jay Tasson, Physics; Steven Drew, Chemistry; Deborah Gross, Chemistry; Gretchen Hofmeister, Chemistry; Fernan Jaramillo, Biology; Pam Middleton, Chair; Matt Rand, Biology; Debby Walser-Kuntz, Biology; Jennifer Wolff, Biology; and Stephan Zweifel, Biology.
