Graduate Diploma Routes

The LEFT SECTION receives diplomas first (front to back) first. Dean Nagel will ask the first two rows to come directly to the platform. The rest of the class will sit until an usher directs you to stand, move to the left, and up to the platform. When exiting the platform, go all the way down behind the RIGHT SECTION and return to your seat.

Right Section receives diplomas after the last row of the left section goes to the platform. Row R1, the first row of the right section stands, exists to the left, walks behind the Left Section, and then up the side aisle to the platform. All other rows are seated until an usher directs you to stand, move to the left, and up to the platform.
