Northfield offers many opportunities for community action
Local groups pushing for renewable energy, sustainable growth and peace welcome students

Northfield is a wonderful place to work to change the world. You just need to know where to look.

There has been a furor over the Showtime film DC 9/11: Time of Crisis, which has been censored and pulled from the air because it did not meet the standards of the network. There are many ways that this can be disavowed even by the neoconservative movement.

Another way to get involved is to contact your representatives. To learn about local issues, read the local newspapers and contact your representatives.

It is empowering to be involved in a community and to take responsibility for what the community becomes.

The Reagans' miseries moves from CBS to Showtime, epitomizing conservative media strategy over American media

By Peter Joll

There has been a furor over the Showtime film DC 9/11: Time of Crisis, which has been pulled from the air because it did not meet the standards of the network.

"There is something very wrong in our political discourse when one mildly friendly film gets yanked off the air because it does not fit the Republican Party line."
