Dear all,

I hope this will be the last email before we meet on Sep 6. We will be in training next week with the Office of Intercultural and International Life Peer Leaders (OPL) so may not be accessible before your arrival on Sep 6.

Here are reminders and last minute tips:

1. Arrival and Check-in at Parish House - if you are coming on your own, please check-in at Parish House after 10 a.m.

   If you have arranged for transportation from the airport to Carleton, please meet Carleton representative in Terminal 1, Arrival Floor (lower level), next to Starbucks Coffee which is near Arrival Door #6 or Luggage Carousel #4. You can't miss us if you look for Carleton sign.

   If your flight is delayed and you need to contact Luyen, best to text him at 1 952 454 0068 with your name and updated arrival information. He can't call back to international numbers and if you leave a message please also leave your name and updated arrival information.

   Lost luggage, give them your name and my contact information at Carleton and let me know when we meet up.

2. Bring small gift for gift exchange.

3. Carry your important travel documents with you (including your I-20 or DS-2019 if you were issued one) and any other documents that confirm your attendance at Carleton, acceptance letter, financial aid award, etc.

   Reminder that due to changes in immigration procedures let the officer know if you have to catch a connecting flight as you calmly answer their questions, and keep in mind that most of you will no longer be issued an Arrival Card or I-94 form.

4. Reminder to read the homework assigned earlier for your academic writing session. You can access it from this link, https://apps.carleton.edu/intl/, please read it before you come (on the plane is good idea).

   Carleton is closed on Monday, Sep 2, due to holiday. We'll be back briefly on Tuesday before being away for training with the OPLs. Safe travels and we'll see you on Sep 6.

Luyen
