May 10, 2007

Dear First-Year Student,

On behalf of Carleton faculty and staff, welcome to the Class of 2011! This is the first of seven coordinated mailings you will receive from Carleton over the summer. We’ve enclosed a mailing checklist that will help guide you through the process of entering college this fall. As you send back the different forms or complete information on the Carleton New Student website, there’s a column on the right to help you keep track of what’s been completed.

Carleton’s website designed specifically for accepted students is at www.carleton.edu/student/new. We hope it will be a valuable tool to both you and your parents; it contains information ranging from how to log into your Carleton email account to downloading a lost mailing. In fact, our goal is to have you use this website to fill out and return forms whenever possible. We also encourage you to begin checking your email account immediately: email is a mechanism for official College communication with students and it's another way to start learning about your new college. Your login name and password for email and the online forms are printed on the cover of the Computing at Carleton booklet.

This mailing includes the following:
- Mailing Checklist
- Computing at Carleton booklet with login name and password
- Address Update Postcard
- Media Relations Form
- Pre-Frosh Trip Brochure
- Disability Self-Disclosure and Provider Verification Forms (2)
- Health Insurance Information
- Student Privacy Notification
- Medical History Form

As you begin your preparations for joining the Carleton community in the fall, the faculty, staff and students are looking forward to getting to know you.

Sincerely,

Hudlin Wagner Scott Bierman
Dean of Students Dean of the College
