Dear Students and Parents,

Welcome to the Carleton College 2007-08 academic year!

The enclosed statement reflects Fall term charges, credit for 1/3 of the financial aid package (excluding campus employment) and our payment record to date. The amount due on August 15th is shown as the ‘Amount to Pay’. Please detach the upper part of the statement and return it with your payment by August 15th. Credit cards are not accepted for payment on student accounts.

For those enrolled in the monthly payment plan we have credited your account for 1/3 of the total amount contracted through TuitionPay using the description “Fall Mthly Pymt Est”. The “Amount to Pay” on this statement is the amount due in addition to your monthly payment plan. Please continue your monthly payments to TuitionPay.

We wish to stress the importance of the payment schedule. First-year and transfer students will register for classes in August. Upper class students registered for classes last spring. If the payment schedule has been met and insurance forms have been received, the student will be able to attend classes. Carleton College reserves the right to withdraw the student if the payment schedule has not been met or the health insurance forms have not been received.

The optional MPRIG charge of $7.50 can be canceled by signing and returning the waiver form which was included in your May mailing. The waiver form can be downloaded from our web site at http://apps.carleton.edu/campus/business/students.

This is the only paper statement you will receive. Carleton College will provide all future billing statements electronically through the secure student portal “The Hub”. Students will receive e-mail notices when their statements are ready for winter and spring terms. Winter term is due December 15, 2007 and Spring term is due March 15, 2008.

If you have questions about the enclosed statement, please contact me at 507-646-4179 or dfawcett@carleton.edu or Sandy Pieri at 507-646-4165 or spieri@carleton.edu. We look forward to working with you this year, and we want you to feel welcome to discuss questions or concerns at any time.

Sincerely,

Debra Fawcett
Student Account Specialist
