May 18, 2018

Dear Carleton Parents and Families,

Welcome to the Carleton community! As a member, you play an important role, and we are eager to work with you as your student transitions to Northfield. This mailing provides more information about the College and is our last coordinated paper mailing you should receive this summer. Please go to http://apps.carleton.edu/newstudents/ to review a list of all mailings.

This summer, we will email your student periodically to share information about class registration, various clubs and organizations on campus, residential life, and other news relevant to their first year at Carleton. Most of these emails will come about twice a month, beginning mid-June. Please visit the following webpage to let us know if you’d like to receive courtesy copies of these messages: http://go.carleton.edu/summermail.

If you are new to Carleton, please go to http://go.carleton.edu/parentQ to complete the Family Resource Questionnaire. We welcome your involvement in the broader Carleton community!

New Student Week (orientation) begins on September 4, 2018. Parents and families are welcome and encouraged to participate on that first day. You’ll find a schedule of events here: http://apps.carleton.edu/newstudents/nsw/parentschedule/.

My colleagues and I look forward to helping your student develop and grow over the next four years. Thank you for trusting us to do so. College years are a wonderful time, but if you are ever unsure about whether or not to call someone at the College, please do not hesitate to pick up the phone, and we’ll talk through whatever concern you have.

Let’s join together in making these next four years truly transformative! Please stay in touch.

All the best,

Carolyn H. Livingston, Ph.D.
Vice President for Student Life and Dean of Students
