1 If approved amount other than request amount, I included a short rationale on why I did not approve funding for the organization.
2 Without advertising, an event cannot be open to all of campus, a requirement for Alt-Bev funding.
3 I did not have enough information to fund the request, so I requested the organization re-submit with the needed info. They did not re-submit. I could not fund them.

There will be an hour of dance lessons for beginners followed by three hours of social dancing and demonstrations by experienced club members. Since the event runs from 8pm-12am, we would like to offer some snacks (it would also give people a place to congregate and chat when they are not dancing). We would like to provide chips, crackers, and some fruits and veggies.

Before going on air, KRLX is planning to have an event on the Bald Spot where all students can come to learn about KRLX and hang out with other members of the organization. We are currently coordinating with Student Band Union to also have some music played during the event. The event will be 5-7 PM on Tuesday, just before our All DJ meeting at 8 PM, which will give information about how people can get involved.

We will be advertising this event to past DJs, as well as anyone who stops by the KRLX booth during the student activities fair. Also, we hope by being in a visible spot like the Bald Spot, we will attract some passersby.

We are planning to have chips, salsa, and juice for the returning DJs and any interested students.

I am requesting alternative beverage fund for Mid-Autumn Festival Celebration this Saturday. Mid-Autumn Festival is one of the most significant Chinese festivals, which is supposed to be a time for family reunion. Therefore, the Chinese Club wants to organize a gathering for Chinese students to enjoy the companion of each other and mooncakes, a traditional snack eaten on Mid-Autumn Festival. This is also a welcoming gathering for the class of 2019, because everyone on our mailing list will be invited, and it will be a great chance for new students and upperclassmen to meet each other. The fund will be used to purchase soft drinks and cups.
