- Carleton alumni join global response to COVID-19 pandemic
- Useful links

Information about fall term

We know families and students have many questions about fall term and we are working to get information to you as quickly as it becomes available. Your student should have recently received a message from Dean Livingston asking returning students to [schedule their move-in slot](#) on either Wednesday, September 9 or Thursday, September 10 between noon and 8pm.

You will receive more information about the logistics of move-in day from the Dean's office in the coming weeks.

The best source of current information is the [COVID-19 FAQs for Students page](#). **This page is updated regularly and we urge parents to check back every few days.** You can also [submit any questions](#) you may have. For more detailed questions related to physical education and athletics, please visit the [PEAR FAQs](#) page.

Supporting student mental health

The Office of Health Promotion and the Parents Advisory Council have recently collaborated on creating a new website to [help parents and families support students' mental health](#). Whether your student is struggling with a particular mental health concern (including COVID-19), or you would like to learn more about the issue of mental health on college campuses in general, there are a number of resources to explore.

Please note: This website is intended to help parents and faculty provide support to students. If students are seeking direct help with mental health issues, they should visit the [Student Health & Counseling webpage](#).

Reminder: Summer send-off events continuing through August 31

Each year Carleton hosts "Summer Send-Off" events to welcome incoming students and their parents. This year these events will be held virtually throughout the month of August, and we hope you and your student will join us!

Some events have already occurred, but events in Chicago, Colorado, Midwestern States, Seattle, Southeastern States, Texas, Twin Cities, Washington DC area, Western States, and Wisconsin are still coming up. Please visit the ['Summer Send-Offs 2020'](#) page to find an event in your area and register.

Carleton alumni join global response to COVID-19 pandemic

Claire Du '08

Through their [numerous efforts](#) during these past few months, Carleton alumni have been a powerful force among those fighting the pandemic.
