• Contemplation and giving through CHP

The Carleton College Community Health Plan (CHP) has been selected to guide the steering group for the College's Inclusion, Diversity, and Equity Plan (IDE). To ensure the College meets its strategic plan to have a diverse and inclusive community, CHP will help the steering committee develop a strategic plan that prioritizes diversity, inclusion, and equity. The steering group includes representatives from various departments and offices, as well as students and faculty.

For more information, visit the Carleton College website.

Please note: This website is intended to help parents and faculty provide support to students. If you need immediate help, please contact your school's support services. If you need help completing an activity, please contact your school's support services. If you need help organizing an event, please contact your school's support services.
