Updates on COVID-19 and Winter Term

We look forward to welcoming students back to campus on January 9 and 10. Your student should have received detailed information about arriving on campus, including testing and move-in procedures.

Still have questions? A recording of the December 15 parent webinar hosted by Dean Livingston is posted on the Parent/Family Gateway. Answers to many questions about the move-in process for Winter Term are available on the Winter Term page and are being regularly updated.

For the most current campus testing data, as well as links to the Minnesota Department of Health and Rice County COVID-19 case data, please visit Carleton’s COVID-19 Dashboard.

The search for Carleton’s 12th President

The Presidential Search Committee shared an update with the campus community in December, and released a prospectus that outlines the key needs and priorities for Carleton’s 12th President, based on input received from all college constituencies. If parents and families have nominations for candidates to share, please review the update for details on the submission process.

Carleton Choir performance

In lieu of its traditional end-of-term concert this fall, the Carleton College Choir pieced together a performance of “#UnitedWeDream,” a composition that raises up a life story involving immigration and the DREAM Act.

Read more about the composition and recording process.

Online lectures on Race and History

As part of a year-long initiative, the History Department is hosting the Lefler/Broom Lectures on history and racism, which we invite parents and families to join.

The next lecture will be on January 19. You can register for the upcoming virtual event by clicking below. Recordings of past lectures are also available.

Learn more

January 19, 5pm Central:

Professor Vincent Brown, Harvard, will discuss his recent book Tacky's Revolt: The Story of an Atlantic Slave War.

Malayka Gormally P’21 and Conor Gormally ’21 provide remote Carleton internship experience

Concussion Alliance connects patients with resources to manage their recovery and, most recently, established an internship program where several Carleton students have found incredible success.

We are always looking for more parents to provide career exploration opportunities for Carleton students! Read more about how you can help the Career Center.
