Information about fall term

We know parents and students have many questions about fall term and we are working to get information to you as quickly as it becomes available. Your student should have recently received the following messaging from Dean Livingston regarding housing, the Community Covenant, and fall term courses.

Please note that due to the changes in faculty teaching plans, first-year students need to select new top-five A&I seminar preferences by August 1.

The best source of current information is the COVID-19 FAQs for Students page. This page is updated regularly and we urge parents to check back every few days. You can also submit any questions you may have. For more detailed questions related to physical education and athletics, please visit the PEAR FAQs page.

Recording of town hall meeting with Deans Livingston and Rodriguez available

For parents who may have missed the July 16 town hall meeting with VP of Student Life & Dean of Students Carolyn Livingston and VP & Dean of Admissions and Financial Aid Int’l Art Rodriguez ’96, you can view a recording on the Parent/Family Gateway.

Summer send-off events start August 2

Each year Carleton hosts “Summer Send-Off” events to welcome incoming students and their parents. This year these events will be held virtually throughout the month of August, and we hope you and your student will join us!

Please visit the Summer Send-Offs 2020 page to find an event in your area and register.

Connecting with other Carleton parents

If you’re interested in connecting with other parents, you have a number of options:

- You can search the Parent Directory using the login information that was sent to you via mail in May.
- You can join the Carleton College Parents Group on Facebook.
- You can subscribe to the Parents’ Email List.

To make changes to the contact information we have on file for you and ensure you are receiving updates at your preferred address, please visit the Parent Information Update page.
