- Carleton Cupboard open for Spring Break
- Useful links

Updates on COVID-19, Spring Break, Spring Term and Commencement

Dean Livingston recently shared new reminders and updates on Spring Break and Spring Term housing, as well as the latest COVID-19 testing data for campus. More details about Commencement for the Class of 2021 were also recently announced. You can find all of Dean Livingston's communications to the full campus on COVID-19 here and answers to frequently asked questions here.

For the most current campus testing data, as well as links to the Minnesota Department of Health and Rice County COVID-19 case data, please visit Carleton's COVID-19 Dashboard.

Be part of the creation of the Inclusion, Diversity and Equity plan

As part of the input going into Carleton’s Inclusion, Diversity, and Equity Plan, we are collecting feedback from all campus constituencies. The College’s consultant, Cambridge Hill Partners, will conduct focus groups over the coming weeks for students, faculty, staff, alumni and parents/families.

If you are interested in participating in the parent/family focus group, please let us know of your interest by March 10th.

Senior Athlete Spotlight

Since February began, the Physical Education and Recreation (PEAR) Department has been recognizing and celebrating the amazing seniors on Carleton's varsity athletic teams. Check out their stories and accomplishments!

Presidential Search Update

On February 16, the Presidential Search Committee shared that they had begun to narrow the field of candidates in preparation for first-round interviews. As the search continues for Carleton’s 12th President, you can find recent updates, Search Committee members, and the presidential Leadership Profile posted online.

Career Center: Strong Interest Inventory

The Career Center is dedicated to assisting all students with their career exploration. We encourage this exploration through coaching appointments, programming, and virtual resources, and have also invested in using the Strong Interest Inventory to introduce students to career possibilities. Any student interested in taking the Strong Interest Inventory should contact the Career Center.

You can follow us on Instagram using the handle @carletoncareercenter and see what other events are coming up.

If you're a Carleton donor, we want to hear from you!

We are compiling short, 20-second videos from donors to help encourage others to give. Hearing from other parents is very important. Help support the Parent's Fund by sharing your experience using this form.

Carleton Cupboard open for Spring Break

The Carleton Cupboard will open again for Spring Break on March 16 and is made possible by the generous donations of the Carleton community. Last fall we were overwhelmed with donations! If you are interested in supporting the Carleton Cupboard, the best way to help right now is to make a cash donation. Select the “other” designation then indicate Carleton Cupboard in the text box.

Faculty art exhibition at Perlman Teaching Museum

From March 1 to April 25, the Perlman Teaching Museum will share an exhibition celebrating the careers of Art Department Faculty Daniel Bruggeman, Fred Hagstrom, and Linda River Rossi.
