Career Center: Externship recruitment

Carleton's externship program will be offering in-person this year. The application deadline for the 2020-2021 Academic Internship Program will be Thursday, October 15. Students may apply for up to five externships. Externships will be 100% virtual and project-based.

As part of a year-long initiative, the History Department is hosting the fall term of the 2020-2021 Virtual Friday Flowers.

Uptown on your campus, a virtual intern program is being offered by the History Department in collaboration with the Office of Alumni and Parent Engagement. The event is titled "Public Reckoning with the Troubled Past." You can learn more and register to attend these virtual events here.

The February 2020 issue of the campus publication Campus Chronicle is available online.

Career Center: Externship recruitment

Carleton's Career Center is offering an opportunity for students to participate in an externship program that provides an opportunity for students to apply the knowledge and skills they have learned in their academic studies to real-world work environments. The externship program is designed to help students develop their professional skills and increase their understanding of the job market.

Career Center: Externship recruitment

Carleton's externship program was created in 2008 to provide an opportunity for students to gain valuable work experience while still in school. The program provides students with the opportunity to apply the knowledge and skills they have learned in their academic studies to real-world work environments.

Career Center: Externship recruitment

Carleton's externship program is not only an opportunity for students to gain valuable work experience, but also an opportunity for students to network and establish connections with professionals in their field.
