**Carleton College Prairie and Wood Liability Waiver**

*Instructions:* This is a release — please read it very carefully before signing.
Your daughter’s / son’s registration is not complete until this form has been signed and returned to a Prairie and Wood counselor.

The undersigned, being the parent or guardian of ________________________, a Prairie and Wood Camper, who has received my permission to participate in Prairie and Wood Nature Day Camp, which I understand will necessitate the travel of my child on field trips throughout the Carleton Arboretum and other accompanied forays on or off Carleton property to participate in such a program, I fully realize the risks associated with participating in outdoor activities such as the possibility of tick bites, bee stings, animal bites, and dangers which arise from surface hazards and weather conditions. I hereby release and forever discharge Carleton College, Prairie and Wood and each Prairie and Wood counselor from any liability to me or my heirs, successors or assigns with respect to any act or omission of any of them in respect to the participation of my child in the program described above.

I further agree that I will indemnify, defend and hold harmless Carleton College, the Prairie and Wood Nature Day Camp and its staff from any claims of any nature made by my child or by me on behalf of my child which may arise in any way or in any way related to any activity of my child in participation of the above described program.

I have read and understand the terms and conditions of this indemnification and release, and I agree and subscribe to them. My signature below also signifies that:

I expect and recognize that none of the fee paid for this program goes toward payment of health, accident, disability or hospitalization insurance and that Prairie and Wood has no obligation to provide such insurance.

I am also aware that if there are any special needs or precautions that should be taken for my child that the College is not responsible for those unless they are specifically stated by the parent or guardian.
